Linking Utility Accounts 11

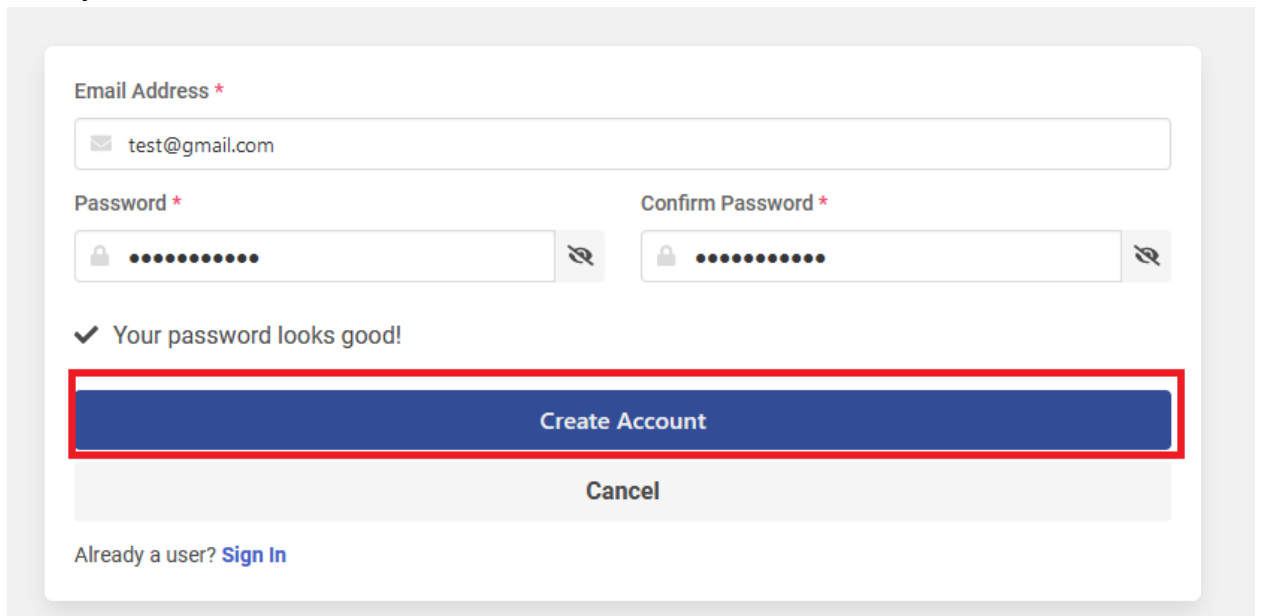

Adding Auto Pay, reminders, and billing preferences. 13

Creating your account for the first time

- Navigate to Gardencitypayments.com and select "sign up"

- Once you select sign up you will be asked to enter your email and password
- Once you have filled in the information select create an account

A screenshot of the account creation form. It features several input fields: "Email Address *" with the value "test@gmail.com", "Password *" with masked characters, and "Confirm Password *" also with masked characters. Below the password fields, there is a green checkmark and the text "Your password looks good!". At the bottom of the form, there are two buttons: "Create Account" (blue with white text) and "Cancel" (grey with black text). The "Create Account" button is highlighted with a red rectangular box. At the very bottom, there is a link that says "Already a user? Sign In".

- Once the create account button is selected you will be presented with the opportunity to link your utility account. You will need account number, billing zip code, and name on the account.
 - a. You can choose to skip this step and link your account at a later time by selecting the "Skip" button

Add Utility Account (Optional)

Add Utility Account Reset Utility Account

If you know your utility account number please use the widget below to search for it. You may also add your account after logging in.

Account Number

- Note in the example below all pertinent information relating to the city will show in the top banner.

Return to Garden City website

CITIZEN
ACTION CENTER

Welcome to the new Customer Portal for the City of Garden City Utility Billing Services.

The City will transition to a new software for utility billing on January 4, 2024.

Until we go live on January 4, 2024, customer balances will not be displayed, and customers cannot make payments through this site.

All customer accounts currently set up on auto-pay will cease to be automatically charged, effective January 4, 2024.

Customers who wish to utilize auto-pay for their bills after January 4, 2024, will need to create an account through this customer portal, link their utility account, and enter the credit card or bank account information to be used for auto-pay.

If customers have any questions or concerns, they are encouraged to visit the Service and Finance Department at 301 N. 8th Street or call 620-276-1100.

Utility Customer Portal
Pay your utility bill. View, print or download a copy of your bill. Access your billing, payment and consumption data for the last year, complete with graphs!

Register
Get emergency alerts and notifications. Help police and fire personnel help you in an emergency. Register your home, your family, your business, your property.
